Q How do you maintain the Morning Calm Club membership?

You can maintain or regain Morning Calm Club membership by meeting one of the conditions below for two years from the date your status changes (qualified or disqualified).

- 30,000 miles or more
 - 30,000 miles or more on Korean Air
 - 20,000 miles or more on Korean Air and 30,000 miles or more including miles earned from partner companies
- 40 or more Korean Air boarding points
- 30,000 miles and 30 or more Korean Air boarding points
 - * Tickets with a Korean Air flight number booked in a mileage-eligible booking class
 - * Boarding points are awarded at the rate of one point for each Korea domestic flight and two points for each international flight.

You can check the requirements to maintain your Morning Calm status and the mileage required to upgrade your membership under [My Level] below.

Q How do I register my pet onto the SKYPETS program?

The SKYPETS program is for SKYPASS members traveling with pets on Korean Air flights. By registering their pets on Korean Air's website or mobile app, passengers can earn points per route after each flight, and redeem points for future pet services.

Click the [Register] link below to register your pet(s) online and collect points every time you travel with your pet.

Q I would like my SKYPASS card reissued.

We issue only digital SKYPASS membership cards, which provide the same membership benefits as existing plastic cards.

- Digital SKYPASS membership cards can be saved and printed as images.
- You can use the QR code on the digital membership card to check in at QR code-enabled kiosks.

Click the link below to find your digital SKYPASS membership card online!
